Industry-Recognized Credential Request Form**

**** APPLICATIONS MUST BE RECEIVED NO LATER THAN OCTOBER 1 ****

This form is to submit industry-recognized credentials available for secondary students to earn while enrolled in Career and Technical Education courses for consideration for OSPI's state-approved list.

In support of school districts' efforts to adopt industry-recognized credentials in accordance with the requirements of Perkins V Program Quality Measures, submissions may be sent to OSPI for review with evidence that supports inclusion on the state-approved list. Submissions will be responded to in person within 30 working days of receipt.
