

OCTOBER 2022

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	Meeting Topics: 1. Fire Extinguishers 2. Blood Borne Pathogens		Do you know your company's emergency action plan?	When on a ladder remember the "Belt Buckle Rule".	Do you know generator safety? Watch the video on RASI Safety TV.	Eyes are priceless, eye protection is cheap! 
2 	3 Flammable and combustible materials should be properly stored.	4 When did you last check CO and Smoke Detectors?	5 Be careful when being exposed to blood, saliva, or other body fluids.	6 	7 See a spill on the floor? Clean it up before someone slips!!	8 Know your responsibility in every emergency situation.
9 Move it closer first, so you don't have to reach so far!	10 Entrance mats should always be in good repair.	11 Fire Dept Requirement - 18" Clearance from all sprinkler heads.	12 Do all electrical outlets have secure faceplates?	13 Shake Out -- Don't Freak Out 10:13AM	14 	15 Using bulk flammable liquids? Containers need to be bonded and grounded.
16 Now is a good time to update the Emergency Contact List	17 Heavy load? Remember "team lift" for back safety!	18 	19 Remember no cell phone use while driving!	20 Blood Borne Pathogens - what do "universal precautions" mean?	21 Have all your new hires had safety orientation?	22 Need help with your Safety Meeting topics? Call Rick 360.200.6454
23 Engine lifts need to have proper ASTM certified rigging chains	24 Using a new chemical? Remember to get the safety data sheet.	25 How do your Exit signs look? Are they working properly?	26 Are display end caps safely merchandised?	27 If the power were to go out, would you know what to do?	28 You receive a bomb threat call - What do you do?	29 One split second of carelessness will change your entire life!
