

## **Washington Retail Association (WRA) Group Retrospective Rating Program Information Release**

The WRA retro program allows participants who are dedicated to strong safety and claims management practices to join with fellow members to earn potential refunds on workers' compensation premiums. In partnership with Brown & Brown participants are provided dedicated claims management, consulting, and analytics to identify and implement effective cost reduction strategies. Signing this form carries no obligation and will allow us to access your workers' compensation data and prepare a detailed analysis of your account and underwrite you for group membership.
