

DECEMBER 2017

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	Meeting Topics: 1. Open/Close Safety 2. Fire Safety	Less daylight means extra awareness when opening or closing the store!	Is there 18" clearance from sprinkler heads?	Check entrance mats to make sure they are in good shape.	1 	2 Are you prepared for snow & ice?
3 Working safely may get old, but so do those who practice it!	4 Lift in your power zone - waist height and close to you.	5 Use tools correctly - Lacerations by box cutters are common in retail.	6 	7 Review First Aid kits to make sure they are adequately stocked.	8 Hands are a wonderful tool - using gloves will make them last longer.	9 Work to be safe, be safe so you can work!
10 Keep stock rooms neat and orderly!	11 SDS - Health Hazard 	12 Use ladders carefully! Most falls happen on the way down.	13 Remember P.A.S.S. P-Pull A-Aim S-Squeeze S-Sweep	14 Open/Close Safety - Develop a call in system if working alone.	15 Using power tools? Use both hands when operating.	16 What is your cell phone use while driving policy?
17 Always done it that way might not be the right way!	18 Customers with strange behavior need extra caution.	19 Bad wires can start fires!	20 Stretch or warm up before lifting objects or strenuous activity.	21 Don't twist at the waist, move your feet instead.	22 Use the buddy system when opening and closing the shop.	23 Safety never takes a holiday.
24 31 How is your safety attitude?	25 Christmas 	THINK SAFE ACT SAFE BE SAFE	27 Are you prepared to act in case of an emergency? Practice situations.	28 Friends don't let friends drive drunk.	29 Have you seen the SAFEME safety app? It is free and easy to use!	30 Safety rules are the best tools!
